

Created from dust  
You came and You lived among us  
You took on our frame  
You walked in our pain  
And now You're taking us higher

You stepped into time  
You laid down Your life to save us  
You took all our shame  
On the cross it was laid  
And now You're taking us higher

We go from glory to glory to glory  
Well never be the same  
Well never be the same  
We go from glory to glory to glory  
Were forever changed,  
Forever changed

You call me Your friend  
Brought into Your endless kingdom  
By the blood I was made  
No longer a slave  
And now You're taking us higher

We go from glory to glory to glory  
Well never be the same  
Well never be the same  
We go from glory to glory to glory  
Were forever changed,  
Forever changed

Until we reach that day  
Love conquers everything  
We'll cry an anthem singing Holy, Holy  
And when we see that day  
Were standing face to face  
We'll shout an anthem singing Holy, Holy

You took on the grave  
So not even death can shake us  
The Victor has won  
And Heaven has come  
And now You're taking us higher  
And now You're taking us higher

We go from glory to glory to glory  
Well never be the same  
Well never be the same  
You take us higher and higher and higher  
Were forever changed,  
Forever changed

We go from glory to glory to glory  
We go from glory to glory to glory  
You take us higher and higher and higher  
Were forever changed,  
Forever changed
