

Here I lay my burdens down
Lose my worries in Your love
Casting every care on You
I have carried them enough

We're not alone
Here within His love
Emmanuel
He is still with us

When the world becomes too much
Near the cross I will remain
Until every fear is stilled
At the mention of Your name

We're not alone
Here within His love
Emmanuel
He is still with us

You are with us now

Mercy is falling, falling
Lift up your hands receive it now
Here in the presence of the Lord

I know your past is broken
You can move on it's over now
Here in the presence of the Lord

Tired of running, running
Be still and know He's in control
Here in the presence of the Lord

Pour out your heart before Him
Open your arms He'll hold you now
Here in the presence of the Lord

Mercy is falling, falling
Lift up your hands receive it now
You're in the presence of the Lord
