

I open up to You  
This love that makes me new  
Oh, may my heart receive  
This love that carries me

From the head to the heart  
You take me on a journey  
Of letting go and getting lost in You

My heart is open wide  
I will receive your light  
You give me faith like a child  
In you my heart runs wild

Theres no shame  
In looking like a fool  
When I give you what I cant keep  
and take a hold of you
