When the mountains fall
And the tempest roars You are with me
When creation folds
Still my soul will soar on Your mercy

I'll walk through the fire With my head lifted high And my spirit revived in Your story And I'll look to the cross
As my failure is lost
In the light of Your glorious grace

So Let the ruins come to life In the beauty of Your Name Rising up from the ashes God forever You reign And my soul will find refuge In the shadow of Your wings I will love You forever And forever I'll sing When the world caves in
Still my hope will cling to Your promise
Where my courage ends
Let my heart find strength in Your presence

I'll walk through the fire With my head lifted high And my spirit revived in Your story And I'll look to the cross
As my failure is lost
In the light of Your glorious grace

So Let the ruins come to life In the beauty of Your Name Rising up from the ashes God forever You reign And my soul will find refuge In the shadow of Your wings I will love You forever And forever I'll sing So Let the ruins come to life In the beauty of Your Name Rising up from the ashes God forever You reign And my soul will find refuge In the shadow of Your wings I will love You forever And forever I'll sing
